### Product description

Contuelle **810822** is a mini brief from the Secret Garden collection in the beautiful colour red amaranth. They are extremely feminine figs that have a classic cut, but are low in shape. The smooth material at the front blends seamlessly with the translucent lace on the sides, which effectively covers the entire buttocks area. In addition, mini Felina Conturelle **810822** briefs have a decorative material element on the front, and the edges are finished with a delicate mesh, thanks to which the underwear does not stand out under the outer clothing.

We recommend connecting with:

- underwired bra 805822 from the Secret Garden series
- decollete bra 807822 from the Secret Graden series

This product has additional options:
