Product description

Felina 210218 are mini figs from *the Chanson collection*. This proposal creates a great set with bra Felina 202218 and 205218. Panties are finished seamlessly, so they are invisible under the outer clothing. Mini briefs have a cut more cut from the classic figs. Panties are decorated on the hips with inserts of lace imposed on the material. The entire back and front part of the figs are smooth, one-colored. The material from which mini figs are made is extremely soft and flexible. An additional decorative detail is a bow at the front.
