### Product description

Felina **214289** are shorts from the **Vision Deluxe** collection in **Mauve**. The shorts are distinguished by their transparent back and sides and their incredible comfort. The shorts **214289** are made of a modern mesh fabric which is breathable and wicks away moisture. The briefs are made of an opaque front decorated with mesh and embroidery depicting leaves. The remaining part is transparent, thanks to which the whole looks phenomenal. The shorts are finished with a reinforced, flat and stretchy waistband that perfectly supports the belly but does not cause any feeling of pressure. Smooth inserts in the upper front part as well as in the back of the underwear have the function of strengthening the whole construction. The back is finished with a flat, elastic band so that the underwear does not show under clothing. It is completed with a subtle bow on the front of the panties. Inside there is a cotton gusset to increase the comfort of use.

**Vision Deluxe** collection is the successor of **Divine Vision** series well known to our clients in unique **Mauve** colour and fashionable motif of small leaves.
