### Product description

**Felina 5283290** are briefs from Felina Swimwear the Wild Ocean collection. Panties are made of soft and flexible material that wicks away moisture well. The front of the figs is entirely covered with material in a floral pattern, while the back is smooth, in a deep shade of bottle green. Panties go perfectly with e.g. a tankini or bra from the same collection. The classic cut guarantees a fashionable look and a sense of comfort.
