Product description

Beauty 4 is a two-piece swimsuit brief in classic black. The bottom **Beauty 4** from the **Self Collection** is characterized by a wide elastic waistband, which allows to eliminate imperfections in the stomach area. Panties perfectly adjust to the body and gently hug it. **Beauty 4** is made of soft, flexible material that allows the skin to breathe freely and wicks moisture away. The briefs are completely covered, made of smooth, solid material. The decorations typical of **Self** swimwear are placed on the hips. They are cross-stitched decorative ties that fasten golden circles. Thanks to this combination the whole looks original and intriguing.

Fabric composition:
78% polyamide
22% elastane

We suggest matching the bikini bottom with one of the **S995J/G**, **S940NJ/G** or **S730N5/G** bras from the **Self Collection** to create a beautiful and unique swimsuit.
